ACTION REQUIRED - REFERENCES					
Reference: EGNW-2936, 28 January 1963					
1. On 7 February 1963 we showed AELADLE a summary of the information in our files on Subject, who was mentioned during the BfV/ASBW debriefing of AELADLE last fall.					
2. AELADLE's comments are contained in the attachment (Attachment A). You will note that AELADLE, based on our summary of Subject's biographic data and background, is now inclined to doubt that Subject may be identical with the unknown officer who was recruited by the KGB in Vienna in 1955. AELADLE does, however, make some other quite interesting statements on which we would like the comments of the ASBW and/or BfV.					
3. Please pass Attachment A to the ASBW and suggest that the BfV would no doubt also find it quite interesting.
